Report of the Auditor to the Members of the Ford Sidevalve Owners ' Club

'I have examined the attached Balance Sheet and Income & Expenditure Account. Stock of spares is shown in the Balance Sheet at a cost of £2119. Inadequate records were kept of the holding of these spares, and I can therefore express no opinion on the evaluation nor on the profit from Sale of Spares of £1197. Subject to the above matter, I consider the Account gives a true and fair view of the state of affairs of the Club at 31st December 1978 and the surplus for the year ended on that date.
